Status of Automated Sealing

- The 2025 Special Session of the Virginia General Assembly directs the Virginia State Police to implement automatic sealing of specific criminal history records as outlined in §19.2-392.5 through §19.2-392.17 of the Code of Virginia, by July 1, **2026**.

Status of Automated Sealing

- VSP's vendor states that the CRIS project is on track to implement automatic sealing and sealing by petition by July 1st, 2026
- VSP is working with the vendor in good faith to address specific concerns regarding the project schedule and deliverables
- User Acceptance Testing (UAT) of 5 out of 42 features is ongoing with the vendor
- All business requirements documents completed and provided to vendor
- Successful interface testing with external partners such as the courts.

Status of Automated Sealing

- VSP has continued collaboration with OES and Fairfax Circuit Court on creating test data scenarios for seal order processing
- Change requests, including legislative changes made during the 2025 General Assembly Session, are in progress
