

SEALING OF CRIMINAL RECORDS

OVERVIEW OF LAWS AND PROCESSES

July 2026

Sealing Defined

- Virginia's sealing laws took effect July 1, 2026.
 - Applies to offenses committed by adults and juveniles tried as adults, but not offenses committed by juveniles.
- Sealing means that a criminal record is no longer publicly available, unless an exception applies.
 - A sealed criminal record still exists and can be shared for various reasons (*see* Va. Code §§ 19.2-392.5 and 19.2-392.13(C) & (C1)).

Sealing Defined

- The following records are sealed:
 - Central Criminal Records Exchange (Virginia State Police);
 - Any Virginia court (with various exceptions, such as published and unpublished opinions);
 - Any Virginia law enforcement agency; and,
 - Virginia Department of Motor Vehicles.
- Private background check companies will be notified and prohibited from sharing sealed record information.

Sealing Defined

- Sealing is a civil process.
- Sealing is not:
 - Expungement;
 - Pardon;
 - Restoration of civil or firearm rights;
 - Removal of a barrier crime under federal law; or,
 - Relief from the obligation to pay restitution, fines, or court costs.

Types of Sealing

- Automatic Sealing (6 processes)
 - No petition required.
 - Verbal motion required for felony non-convictions at case conclusion.
- Petition Sealing (2 processes)
 - Petition must be filed in the circuit court where the offense occurred, along with a copy of the charging document (e.g., warrant, summons, indictment) and the petitioner's criminal history record.

Automatic Sealing

1. Certain misdemeanor convictions
2. Possession of marijuana offenses
3. Misdemeanor non-convictions at case conclusion
4. Felony non-convictions at case conclusion
5. Previously concluded misdemeanor non-convictions
6. Traffic infractions

Automatic – Misdemeanor Convictions

- Misdemeanor convictions eligible for automatic sealing:
 - Petit larceny (§ 18.2-96);
 - Shoplifting (§ 18.2-103);
 - Trespassing (§ 18.2-119);
 - Instigating trespass (§ 18.2-120);
 - Trespass on posted property (§ 18.2-134);
 - Distribution of marijuana (§ 18.2-248.1(a)); and,
 - Disorderly conduct (§ 18.2-415).

Automatic – Misdemeanor Convictions

- Criteria to automatically seal a misdemeanor conviction:
 - Offense was committed on or after January 1, 1986;
 - Person was not convicted of a separate crime on the same date that is not eligible for automatic sealing; and,
 - 7 years passed from the date of conviction with no Virginia CCRE reportable convictions or any convictions in another state.
- No requirement to pay restitution, fines, or court costs before an offense is automatically sealed.

Automatic – Possession of Marijuana

- As of July 1, 2026, all criminal and civil charges and convictions for possession of marijuana under former Va. Code § 18.2-250.1 will be sealed without entry of a court order, regardless of the final disposition of the case.
 - No date limit, waiting period, or good behavior criteria.
- This does not include criminal or civil possession of marijuana charges or convictions under Va. Code § 4.1-1100.

Automatic – Misdemeanor Non-Convictions at Case Conclusion

- Misdemeanors that conclude on or after July 1, 2026, as an acquittal or dismissal with prejudice must be ordered sealed by the court at case conclusion.
 - The only exception is if the defendant objects.
- The court must advise the defendant that an order has been entered to automatically seal the offense.

Automatic – Misdemeanor Non-Convictions at Case Conclusion

- The statute does not specifically read that the order to seal must be entered immediately upon case conclusion.
 - The defendant may be able to request sealing at a later date if the court still has jurisdiction.
- An offense that has been automatically sealed in this manner is still eligible for expungement.
 - Expunged records have more limitations on access.

Automatic – Felony Non-Convictions at Case Conclusion

- Felonies that conclude on or after July 1, 2026, as an acquittal or dismissal with prejudice may be ordered sealed by the court at case conclusion if:
 - The defendant verbally requests the offense be sealed; and,
 - The Commonwealth's Attorney concurs.
- The court must advise the defendant that an order has been entered to automatically seal the offense.

Automatic – Felony Non-Convictions at Case Conclusion

- The statute requires that the verbal request be made *“immediately upon the acquittal or dismissal”*.
- An offense that has been automatically sealed in this manner is still eligible for expungement.

Automatic – Previously Concluded Misdemeanor Non-Convictions

- Misdemeanor non-convictions (i.e., acquittal, nolle prosequi, and dismissal, excluding deferred dismissal) that concluded prior to July 1, 2026, will be automatically sealed if:
 - The offense date was on or after January 1, 1986;
 - The person's criminal record contains no convictions for a crime that requires a report to the Virginia CCRE; and,
 - The person has not been arrested or charged with a crime in the past 3 years that requires a report to the Virginia CCRE.
 - The 3-year look back is based on the date of the annual review of the CCRE for eligibility.

Automatic – Traffic Infractions

- All traffic infractions that occurred on or after January 1, 1986, excluding offenses punishable as a criminal offense, will be sealed 11 years after the date of final disposition, unless sealing the record would be:
 - Prohibited under federal or state law; or
 - In violation of a federal regulation or program requirement.

Petition Sealing

- Two types of petition sealing:
 - **Automatic Petition Sealing** - narrower class of misdemeanors that are eligible for automatic sealing, but were unable to be sealed for various reasons.
 - **Petition Sealing** - broader class of misdemeanors and felonies with more stringent sealing criteria.
- No cost to file a petition or request a criminal record for sealing.
- Related ancillary matters can also be sealed via petition.

Petition Sealing

- Ancillary matters include:
 - Probation or parole violations;
 - Contempt of court violations;
 - Failure to appear charges or convictions; and,
 - Bail, bond, or recognizance order appeals.
- Ancillary matters must be specifically included in the petition.
 - Ancillary matters will not be automatically sealed.

Automatic Petition Sealing

- Automatic petition sealing includes two categories:
 - **Misdemeanor convictions and deferred dismissals:**
 - Convictions that were eligible for automatic sealing but not sealed;
 - Underage alcohol (§ 4.1-305);
 - Drug paraphernalia (§ 18.2-265.3(A)); and,
 - Related ancillary matters.
 - **Ancillary matters related to an automatically sealed:**
 - Misdemeanor conviction;
 - Previously concluded misdemeanor non-conviction; or,
 - Possession of marijuana offense (former § 18.2-250.1).

Automatic Petition Sealing

- Misdemeanor convictions and deferred dismissals must be sealed if:
 - Offense was committed on or after January 1, 1986;
 - Person was not convicted of a separate crime on the same date that is not eligible for automatic sealing; and,
 - 7 years passed from the date of conviction with no Virginia CCRE reportable convictions or any convictions in another state.
- The court must grant the petition to seal ancillary matters related to a previously sealed offense if the related offense was automatically sealed.

Petition Sealing

- Certain misdemeanors, Class 5 and 6 felonies, larceny offenses, and related ancillary matters are eligible for petition sealing.
 - Convictions and deferred dismissals only.
 - Multiple offenses can be sealed under one petition if all the offenses arose out of the same transaction or occurrence.
 - Numerous offenses are not eligible, such as violent felonies, sex crimes, sex trafficking, firearm offenses, and attempt, conspiracy, solicitation to commit an ineligible offense, etc. *See complete list of ineligible offenses on [agency sealing webpage](#).*

Petition Sealing

Criteria to grant a petition:

1. No Class 1, 2, or life felony convictions ever; no Class 3 or 4 felony convictions in past 20 years; no other felony convictions in past 10 years;
2. 7-year waiting period for misdemeanors and 10-year waiting period for felonies (starting point of waiting period varies);
3. Demonstrate rehabilitation if offense involved use or dependence upon alcohol or other drugs;
4. Restitution paid in full;
5. Limit of 2 granted petitions in a person's lifetime; and,
6. Demonstrate a manifest injustice.

Sharing of Sealed Records

- Sealed records can be shared for 28 specific reasons listed in the Code (§ 19.2-392.13(C)), such as:
 - Firearm background checks;
 - Criminal justice purposes (DNA or fingerprints);
 - Certain types of employment;
 - Research; and,
 - To the person whose record was sealed.
- Sealed record can also be shared within or between government agencies for purposes required under state or federal law.

Other Stakeholder Actions

- The Office of the Executive Secretary of the Supreme Court developed and posted sealing petition forms online.
- The Virginia State Police developed a process for a person to electronically request a copy of their criminal record.
- Efforts are underway to educate the public and stakeholders on the sealing laws and processes.
