

Virginia Department of Motor Vehicles Implementation of HB2400/SB1402

Completed Items:

- Reviewed all conviction records
- Updated all forms
- Worked with the Library of Virginia to create a records retention schedule
- Moved records off microfilm and into our digital retention source (OnBase)
- Established a Managed File Transfer process to accept requests from Virginia State Police and completed internal changes to our driver systems to accept information from VSP
- On July 1, 2026, DMV sealed 14,741 convictions under §18.2-250.1
- On July 9, 2026, DMV began accepting sealing requests and returning sealing status to VSP
